Rejoicing the gift of life

Empowering
T1D children and youth:
Bringing a ray of hope
through **holistic care.**

Annual Report 2024-25

Message from Founder & Trustees

Nityaasha Foundation
an eleven years of journey with T1D community

By Farook Merchant

Mr. Farook Merchant

As I reflect on the journey of the Nityaasha Foundation, I am filled with both happiness and deep humility. What began as a small, medical-based NGO has flourished into a robust organization providing vital support to economically weaker families whose children live with **Type 1 Diabetes (T1D).**

This success would not have been possible without the community around us. I extend my deepest gratitude to all the **associated doctors** and **Managing Committee members** for their unwavering support and expert guidance.

My sincere thanks also go to our dedicated donors and well-wishers who have consistently shown confidence in our efforts by providing financial support in cash and kind. Starting a charitable trust was a new venture for my family and me, but the collective help we received made it a reality. As we grew, we recognized the profound responsibility we carry: the **Nityaasha Foundation** and its leadership must always strive to deliver the very best services to our beneficiaries.

Looking ahead, we are committed to continuing our mission. We will ensure that every child with T1D receives the medical and holistic support necessary to lead a healthy and fulfilling life.

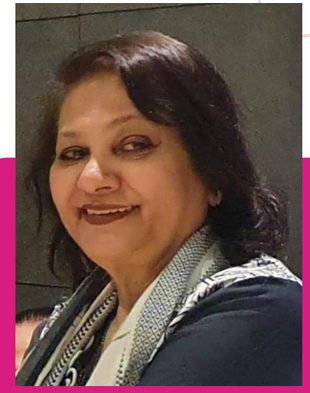

Message from Founder & Trustees

A Ray of Hope and Impact for the T1D Community

Mrs. Nasima Merchant

Established in 2013, the **Nityaasha Foundation** has one simple, ambitious mission: to bestow a healthy life by fulfilling the medical needs of underprivileged children and youth living with **Type 1 Diabetes (T1D).**

Looking back on ten extraordinary years, we are filled with immense pride and gratitude. Our achievements have surpassed all initial expectations, a true reflection of the strong, supportive community built by our dedicated team, caring volunteers, and generous donors. Your essential contributions have transformed countless lives.

As we look to the future, we are excited about what we can accomplish. With your continued support, we will keep exploring new ways to expand our reach and build a brighter future for all children with Type 1 Diabetes.

Thank you for being such an important part of our journey. We are confident that with your continued support, we will expand our reach and build an even more remarkable future for every child with Type 1 Diabetes.

Dear Friends and Supporters,

We are pleased to present the Nityaasha Annual Report for the fiscal year 2024-2025. This report highlights a year of growth, impact, and unwavering dedication to empowering Type 1 Diabetes communities.

Over the past year, with the support of our committed partners, donors, volunteers, and well-wishers, we have made significant strides in improving the lives of T1D children and youth from economically weaker backgrounds. We are humbled by the progress we've made toward providing opportunities for growth and a normal quality of life.

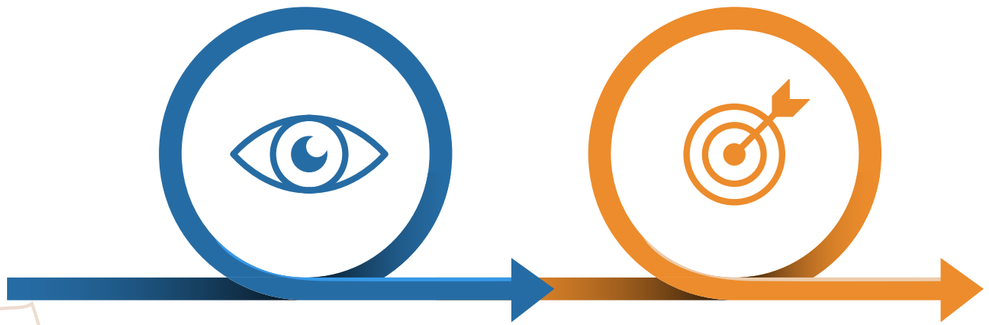

We extend our heartfelt gratitude to each of you who has stood by us, believed in our vision, and contributed to our cause. Your trust and support have been instrumental in our accomplishments.

Thank you for being an essential part of the Nityaasha family. We look forward to continuing this journey together.

Nityaasha Foundation: Empowering Lives with Type 1 Diabetes:
The Nityaasha Foundation
is a registered charitable trust committed to providing comprehensive support to children and young adults aged **0 to 23** years who are living with Type 1 Diabetes (T1D) and come from economically weaker sections of society.

Founded on principles of philanthropy in **2013**, Nityaasha was established through the visionary efforts of **Mr. Farook Merchant and Mrs. Nasima Merchant**, alongside a prominent and dedicated team of Managing Committee Members. For over a decade, the Foundation has diligently worked to ensure that financial constraints do not hinder access to essential care and a dignified life for those battling T1D.

Through its holistic approach, Nityaasha strives to empower these young individuals and their families, offering a beacon of hope and practical support on their journey with Type 1 Diabetes.

Vision

To provide an equal opportunity for all to cherish the gift of life.

Mission

To bestow a healthy life by fulfilling the medical needs of the underprivileged through holistic support.

Our Comprehensive Support

We provide comprehensive care to children and young adults with Type 1 Diabetes, including:

Free medical aid: This covers essential supplies like insulin, glucometers, strips, lancets, and syringes.

Annual health checks: We arrange annual pathology tests, general check-ups, and eye check-ups.

Social counselling: Our team offers vital psycho-social support.

Continuous monitoring and education: We conduct regular home visits and follow-up calls to ensure ongoing education and support for day-to-day T1D management.

Currently, we proudly support 208 children and young adults living with Type 1 Diabetes.

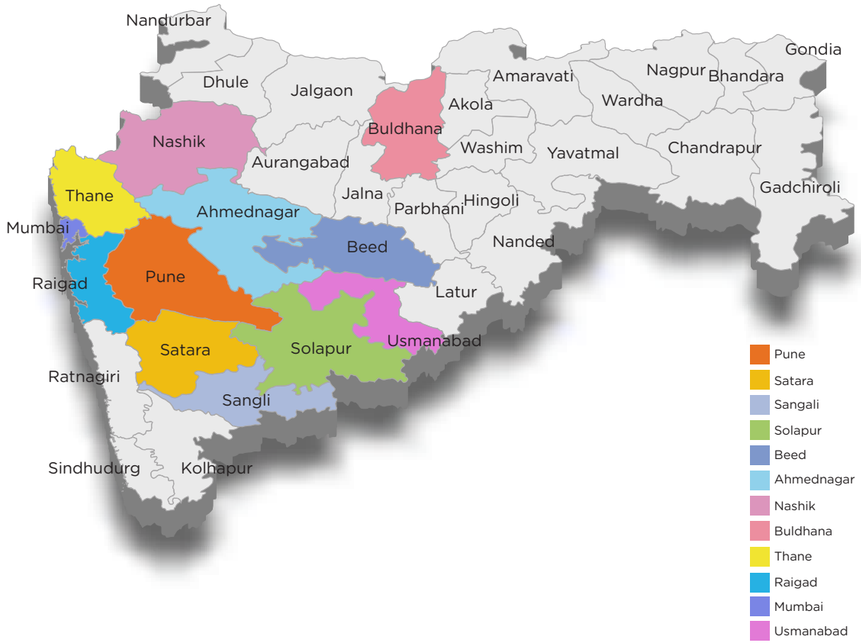

Empowering Through Education: We organise Continuous Medical Education (CME) sessions to equip T1D children, their parents, and caregivers with the knowledge needed for effective disorder management. These sessions empower them to lead a better quality of life.

We extend our heartfelt thanks to our generous **supporters, donors, and volunteers.** Your unwavering belief in our noble cause enables us to provide **hope, care, and a brighter future** to T1D children and their families.

OUR REACH

Nityaasha's helping hands reach out to needy children across Pune and beyond. We are helping children accross towns and rural interiors in different districts of Maharashtra-highlighted in colour on the map. We hope to spread our network of care to many more regions in the future.

ANNUAL REPORT 2024–2025

1. SERVICES PROVIDED BY NITYAASHA

192 (April 2024) **208** (March 2025)

No. of registered children

T1D children's intake capacity has increased up to 210, also getting new referrals from new Doctors (Diabetologists & Endocrinologists)

41

No. of new registered children

21

No. of phased-out children

241

Home Visits & School Visit

A distinctive feature of Nityaasha's support is our team's commitment to conducting **home visits.** These visits allow us to closely monitor the daily management of Type 1 Diabetes (T1D) for children and young adults.
During these visits, our focus includes:
• Providing diet and social counselling.
• Ensuring proper insulin storage.
• Monitoring blood sugar levels.
• Raising awareness about Type 1 Diabetes.
The team conducted 2 school visits during their rural home visit.

3615

Follow-up calls

Nityaasha Team conduct regular follow-up calls to obtain feedback on daily routines and closely monitors blood sugar levels. Children with high HbA1c levels (above 10%), categorised as "Red," receive specialised counselling.

1190

Nityaasha center visit

Children enrolled with Nityaasha are scheduled to collect medical aid every two months. Our distribution days are held twice a week, on Tuesdays and Thursdays.
We consider special cases and support:
• Children in the & "Red Category" (requiring closer monitoring) visit the centre monthly.
• Children who travel long distances may sometimes receive a three- month supply of medical aid.
During Nityaasha Centre visits, our team provides:
• Psycho-Social Counselling
• Education on day-to-day T1D management at home
• Disbursement of Medical Aid
Insulin was dispensed from the Medplus pharmacy - Vimannagar Nagar & Drug Pharma store – Vimannagar Pune.

382

Pathology test

A) The annual Pathology check-up was scheduled for December 2024 to January 2025
No. of Checkups: **203**

B) HbA1c test (Half yearly & Red category children): was conducted in June and July 2024
No. of Tests: **179**

192

Annual eye check-up

2. HIGHLIGHT MONITORING ACTIVITIES:

Half yearly pathology test & annual Pathology test (Red Category - HbA1c above 10%):

• Our annual pathology tests are scheduled for December and January, and half-yearly tests are conducted in June and July.

Pathology Test	Month	No. of children test done	No. of children in Red category
Half yearly HbA1c test	June - July 2024	159	56
Annual pathology test	December 2024 - March 2025	203	62

• **Continuous monitoring strategies planned for Red Category children, focusing on 5 pillars of Diabetes management:**

For children with HbA1c levels greater than 10%, Nityaasha schedules special home visits:

• During these visits, our Medical Social Worker (MSW) cross-checks daily blood sugar levels using the glucometer and glucose diary, with both the child and their parents present. The MSW also assesses insulin storage, injection sites, insulin dose adjustments,dietary habits, and daily activity levels.

• For children in the "Red category" with high HbA1c levels, Nityaasha aligns medical aid collection with every home visit. This allows for more frequent monitoring and support.

• The Nityaasha team gives regular follow-up calls for children in the red category.

• Our team creates WhatsApp groups for daily monitoring. In these groups, members are asked to share their daily glucose diary and dietary intake. The Nityaasha team regularly shares important information like diabetes dos and don'ts, diabetic recipes, and educational content within the groups.

• Nityaasha facilitates the formation of peer support groups for individuals living with Type 1 Diabetes. A unique aspect of our program is that peer group counselling sessions are conducted during home visits by young adolescents who have successfully managed their Type 1 Diabetes and now volunteer their services.

Educational Session by the doctor: Nityaasha Foundation in coordination with Kalyani Clinic, Dr. Arundhatee Khare conducted the 7th Diabetes Education Series, focusing on the importance of maintaining normal blood sugar levels (BSL) and target HbA1c levels to prevent diabetes complications.The session covered various topics related to Type 1 Diabetes self-management, including: Types of Insulin, Insulin storage and technique, Carbohydrate counting calculations (IS Ratio and IC Ratio), Insulin dose titration, Hypoglycemia and Hyperglycemia management, Exercise with diabetes, and Sick day management.

3. OTHER ACTIVITIES:

APRIL 2024:

- On April 13, 2024, the 7th Diabetes Education session was held at the Lunkad Sky Vista Conference Room in collaboration with Kalyani Endocrine Clinic. 15 children with Type 1 Diabetes and their parents attended the session, which focused on understanding and managing hypoglycemia. Diabetes Education session on "Hypoglycaemia and its management"

- Annual Eye Check-up & Fundoscopy test at Asian Eye Hospital

MAY 2024:

- STEM Discovery Program with Sangam World Centre: On May 15th, 2024, Nityaasha Foundation collaborated with Sangam World Centre, the World Association of Girl Guides and Girl Scouts (WAGGGS) Asia-Pacific Region in Pune. Together, they organised a STEM Discovery program specifically for children with Type 1 Diabetes (T1D). The program's goal was to ignite an interest in science, technology, engineering, and mathematics among these young minds. A total of 16 T1D children actively participated in this engaging and educational initiative.

- This year, 3 children successfully cleared the HSC Board exam, and 12 children passed the SSC Board Exam.

JUNE 2024:

- Diabetes Education Session & Peer Support Discussion: Nityaasha organised a Diabetes Education session, focusing on "Exercise & Diabetes." This valuable session took place at the Lunkad Skyvista Conference Room, in collaboration with Kalyani Endocrine Clinic. Adding to the day's significance, two former Nityaasha beneficiaries, Mr. Rajratna Gaikwad and Ms. Pratima Hable, visited the centre. They met with the Nityaasha team to discuss the potential formation of a Type 1 Diabetes (T1D) peer support group. The session saw the participation of 17 children and youth with Type 1 Diabetes, accompanied by their parents.

JULY 2024:

- The 26th Nityaasha Managing Committee Meeting took place on July 6, 2024, at Merchant Bungalow, Kalyani Nagar. During the meeting, the Nityaasha report for the period of January 2023 to June 2024 was presented, outlining key updates and progress.
- On July 13th, 2024, Nityaasha, in collaboration with Kalyani Endocrine Clinic, held its 9th diabetes education session. The session, focusing on "Sick Day Management - Part 1," took place at the Lunkad Sky Vista Conference Room. A total of 14 T1D children and youth, along with their parents, attended.

- Nityaasha Foundation marked a significant milestone on July 25, 2024, celebrating 11 years of dedicated service to the Type 1 Diabetes community. Founded in 2013, the organization has been providing crucial support to underprivileged children with Type 1 Diabetes, offering free medical aid, counseling, and education to empower them to manage their condition effectively

AUGUST 2024:

- On August 9th, 2024, the Nityaasha team participated in an insightful online session titled "How to Manage T1D in the Festive Season?" The session was hosted by the T1D Support Group and provided valuable insights and practical tips for navigating the challenges of Type 1 Diabetes during festive periods.

- Nityaasha team attended the IDF online session on "Advocacy in Times of Crisis" on August 19, 2024. This session likely discussed the importance of advocacy in ensuring access to essential care for people with diabetes during crises, such as natural disasters or conflicts.

SEPTEMBER 2024:

- The 10th diabetes education session, held on September 14, 2024, at Lunkad Sky Vista Conference Room, focused on "Sick Day Management - Part 2". The session was conducted in partnership with Kalyani Endocrine Clinic. 12 children and youth with Type 1 Diabetes, along with their parents

- On September 19, 2004, Nitryaasha team attended a webinar symposium titled "Be Friending the Carbs" organised by Empower T1D Group. The session likely explored the importance of carbohydrates in managing Type 1 Diabetes, providing insights on how to effectively incorporate carbs into meal plans while maintaining optimal blood sugar levels.

- On September 24, 2024, Nityaasha team attended an online session on "Exercise & T1DM" organized by Empower T1D Group. This session likely covered the benefits and strategies for safely incorporating exercise into the management of Type 1 Diabetes.

OCTOBER 2024:

- The Nityaasha Team recently hosted an engaging online event called "Young Innovators this Festive Season." This event featured two exciting competitions designed to encour age creativity and self-expression among children with Type 1 Diabetes: Healthy Cooking Competition: Open to T1D children above 10 years, this encouraged creative and healthy eating habits. Fancy-Dress Competition: For T1D children under 10 years, this promoted self-expression and fun.

- On October 17, 2024, Ms. Subhashini attended the 1st ISPAD Scientific Committee Meeting, where discussions focused on selecting a theme and forming subcommittees. She was assigned to the "Transition and Adolescent Care" subcommittee, contributing to important work in supporting young people with diabetes.

NOVEMBER 2024:

- On November 28, 2024, the Nityaasha team was invited to participate in the World Diabetes Day program organized by the Paediatric Department of D.Y. Patil Hospital and Research Centre, Pimpri. Ms. Subhashini and Mr. Yogesh represented Nityaasha at the event, where they engaged with children living with Type 1 Diabetes and their families.

DECEMBER 2024:

- The Nityaasha team participated in the two-day National Conclave for Type 1 Diabetes, "Disparity to Similarity," held in Jaipur on December 6th and 7th, 2024. This event pro vided Ms. Subhashini Naorem and Ms. Hema Jadhav from the Nityaasha team with a valuable opportunity to learn from diverse perspectives by interacting with individuals working with T1D across India. The conference offered significant updates on T1D management and policy advancements.

JANUARY 2025:

- On January 3, 2025, the Nityaasha Foundation hosted a rejuvenating session focused on "Self-Realization and Motivation" for 39 caregivers of children with Type 1 Diabetes. Led by the esteemed guest speaker Dr. Radhika Rawat, the program featured: An icebreaker activity where caregivers openly shared their strengths and weaknesses. Interactive games and group dance sessions designed to boost energy and foster connection among participants. A guided meditation session aimed at promoting deep relaxation and inner peace. The session successfully provided a much-needed break from the daily stresses of caregiving, fostering moments of joy, self-awareness, and renewed motivation among all participants.

- Nityaasha team attended an Educational Webinar series on January 23, 2025, organized by Empower T1D, focusing on "Type 1 Diabetes: Challenges & Solutions – Let's talk about Pregnancy, Hypothyroidism & Celiac".

- On January 27, 2025, Subhashini attended an educational webinar organised by Empower T1D on "Making Diabetes Management Safe & Environment Friendly".

FEBRUARY 2025:

- Meeting with Dr. Arundhatee Khare on 18.02.2025 and discussed the Diabetes Education session for 2025-2026. The sessions will begin from April 2025 onwards on the 3 rd & 4 th Saturdays. A total of 10 sessions is planned with the Red Category children.

- Meeting with Mrs. Nasima Merchant on 21.02.2025 and discussed the day-to-day Nityaasha's ongoing work. The meeting was focused on the need for Red Category children and their need to assign a visiting Psychologist to counsel the T1D adolescents.

- On 24.02.2025, a meeting with Dr. Meghna Chawla & the team for the Red Category children follow-up work plan.

MARCH 2025:

- On March 7th, 2025, Ms. Subhashini and Ms. Hema from the Nityaasha team participated in the International Women's Day celebration. This event was organized by Mrs. Nasima Merchant (Nityaasha Foundation - Founder & Trustee) at the Poona Club. This annual celebration by Messung System Pvt. Ltd. included women employees from both Nityaasha Foundation and Gyan Ruchi. The event celebrates the social, economic, and cultural achievements of women. This year's theme, "Accelerate Action," emphasized the need for decisive steps to achieve gender equality and empower women.

T1D MARRIAGES NOT A BARRIER

SUCCESS STORIES & ACHIEVEMENTS

अक्षता सुरेश जगताप

मी अक्षता सुरेश जगताप, आता वाणिज्य शाखेच्या मध्ये शिकत असून साइड बाय बिझनेस पण करते. मी जेव्हा दुसरी मध्ये होते तेव्हा मला डायबिटीस (मधुमेह) असल्याचे समजले. आता मी 16 वर्षाची आहे. मला डायबिटीस आहे. सारखे इन्सुलिन घ्यावे लागते म्हणाल्यावर आई वडिल खूप घाबरले होते. घरातील सगळ्यांना शुगर म्हणजे काय हे माहिती नव्हत. नातेवाईक , शेजारी, बाहेरचे लोक त्यांना वेगळे वेगळे सल्ले द्यायचे. मी तर खूप लहान होते त्यामुळे मला तर काय झालंय हे पण कळत नव्हत.

सासवड सारख्या तालुक्याच्या गावातील डॉक्टर पण माझ्या येवढ्या लहान मुलीची रिस्क घ्यायला तयार नव्हते. त्यातील एका डॉक्टरांनी मला पुण्यातील केईएम रुग्णालयात जाण्याचा सल्ला दिला. तिथं गेल्यावर मी 2 आठवडे दवाखान्यातच होते. घरातले सगळे खूप घाबरले होते. मला काय होईन या भितीने घरातले जेवत पण नव्हते. पण केईएमच्या डॉक्टरांनी खूप सहकार्य केले. शुगर म्हणजे काय याची सविस्तर माहिती दिली. शुगर कशी नियंत्रित ठेवायची, ती कशी होते हे समजून सांगितले.

2 वर्ष झाल्यावर माझ नाव नित्याशा फाऊंडेशन या संस्थेत नोंदविण्यात आले. तेव्हा पासून मला सगळी औषधे, इन्सुलिन फ्री मधे भेटत होते. आज पण मला नित्याशा फाऊंडेशन ची खूप मदत होते.
जेव्हा पासून नित्याशा फाऊंडेशन मध्ये सहभागी झाले आहे तेव्हा पासून त्यांची खूप मदत होत आहे. सगळ्या मॅडम आणि सरांनी आम्हाला स्वतःच्या मुलांसारखं समजून सांगितले आहे. शुगर कशी कमी ठेवायची, कशी नियंत्रित करायची हे सगळं प्रत्येक महिन्याला समजून सांगतात. मुख्य म्हणजे ते कधीच ओरडले नाहीत. जर काही चुकले तर प्रेमाने समजून सांगतात. जस जस मोठे होत गेलो तसे तसे जास्त समजत गेलं. पण खरं सांगायचं झाल तर कधी कधी खूप तणाव यायचा. आपल्याला असा आजार आहे. आपल पुढं जाऊन कस होईन. आपल्याला हे सगळं जमेन का...पण प्रतेक वेळेस आम्हाला धीर मिळाला. शंका निरसन करण्यात आले. मला समजून सांगितले की, शुगर हा एक आजार किवा रोग नाहीये हा तुमचा मित्र आहे आणि त्या मित्राला सोबत घेऊन पुढं जायचंय तुम्हाला. त्याला समजून घेऊन नीट पुढे चालाल तर जीवन खूप सुदर होईल.

हेच वाक्य आज देखील आठवते. त्यामुळे जीवन जगायला प्रेरणा भेटते. आता 3 महिने झाले मी स्वतःचे दुकान सुरु केले आहे. वेळोवेळी मिळालेल्या मदतीमुळे मी आज स्वतःच दुकान टाकून, स्वतःच्या पायावर ऊभी आहे. ही खूप मोठी मदत आहे. जे काय कराल ते धाडसाने करा. घाबरु नका हे मला कायम सांगण्यात आले. नित्याशा मधील सर्व कर्मचारी, मॅडम, सर जेव्हा मला समजून सांगत असतात तेव्हा मला त्यांच्यामध्ये माझे आई बाबा दिसतात. त्यांनी मला व माझ्या सारख्या अनेकांना स्वतःच्या मुलांसारखे संभाळले आहे. प्रत्येक गोष्टी मध्ये प्रेम, माया, आपुलकी दिसून येते. हेच प्रेमाणीबोलणं, प्रेमाणी वागणं आम्हाला तुमच्या आजून जवळ आणत आहे. मी नित्याशा फाऊंडेशश चे खूप आभार मानते. इतकी वर्ष खूप मोठी मदत केल्या बद्दल खूप खूप धन्यवाद.

अंकिता तुकारामतनपुरे

मी अंकिता तुकाराम तनपुरे, आखारवाडी, चास, तालुका खेड, जिल्हा पुणे येथील रहिवासी आहे. आई, वडील, मोठा भाऊ आणि एक मोठी बहीण असा आमचा परिवार आहे. मला मधुमेह (Diabetes) असल्याने रोज इन्सुलिनचे इंजेक्शन घ्यावे लागते. माझी मधुमेहाची ट्रीटमेंट पुण्यातील केईएम हॉस्पिटलमध्ये चालू होती. उपचारासाठी वडील मला दर वेळी गावावरुन पुण्याला घेऊन यायचे. जशी मी हळूहळू मोठी होत गेले, तसतसे मला थोडेफार समजू लागले. माझ्यामुळे माझ्या घरच्यांना किती त्रास सहन करावा लागतोय, याचे मला वाईट वाटायचे. माझ्या मैत्रिणी विविध गोड पदार्थ माझ्यासमोर खायच्या. मलादेखील ते खावेसे वाटायचे आणि मी रागामध्ये गोड पदार्थ खायचे. एकदा शाळेत मला चक्कर आली. मला मधुमेह असल्याचे माझ्या मैत्रिणीशिवाय इतर कोणालाही माहीत नव्हते. शिक्षकांना काय करावे हे सुचत नव्हते. त्यांनी माझ्या चेहऱ्यावर पाणी मारुन पाहिले. माझ्या मैत्रिणीने मला बिस्किट आणि साखर दिली, तेव्हा मी थोडी सावरले. शिक्षकांनी माझ्या वडिलांना बोलावून घेतले आणि त्यांची कानउघाडणी केली. शिक्षकांना या गोष्टीची कल्पना देणे आवश्यक होते. घरी आल्यावर वडील माझ्यावर खूप ओरडले. ते म्हणाले, "स्वतःची काळजी घेत जा." मी शांतपणे ऐकून घेतले, कारण त्यांना माझ्याबद्दल वाटणा-या काळजीपोटीच ते बोलत होते. शाळेतून सहल निघाली की शिक्षक मला त्यातून वगळायचे. ते म्हणायचे, "हिला काही झाले तर याची जबाबदारी कोण घेणार?" माझ्या हट्टामुळे वडिलांनी शिक्षकांना अनेकदा समजावून सांगण्याचा प्रयत्न केला, पण शिक्षकांनी त्यांचे ऐकले नाही. त्या दिवशी मी रात्रभर खूप रडले. माझ्या मनात प्रश्न आला की, माझ्यासोबतच असे का? देवाने मला असे आयुष्य का दिले? यावर मी सतत विचार करत असे. असे विचार आले की मला खूप रडू यायचे. असे जगणे नकोसे वाटायचे. मधुमेहामुळे मी अनेक गोड क्षणांना मुकले.

एकदा मी रक्तातील साखर (BSL) तपासली नाही आणि मनानेच डायरीत नोंद केली. डॉक्टरांना हे समजताच ते माझ्यावर खूप रागावले. त्यावेळी मला त्यांचा खूप राग आला. खरे तर ते मला समजावून सांगू शकले असते. नंतर मी विचार केला की, मी इन्सुलिन घेतले नाही तर त्याचा त्रास मलाच होईल आणि त्यामुळे घरच्यांनाही त्रास होईल. मग मी व्यवस्थित वागू लागले. मी जणू घरासाठी एक समस्याच बनले होते. त्यातच माझ्या वडिलांचा अपघात झाला. त्यांचे दोन्ही पाय जायबंदी झाले होते. उपचारानंतर त्यांना व्यवस्थित चालताही येत नव्हते. तरीसुद्धा ते माझ्या उपचारांसाठी मला घेऊन हॉस्पिटलमध्ये यायचे. तेव्हा त्यांची अवस्था पाहून मला खूप वाईट वाटायचे. खूप रडायला यायचे, पण मला काय करावे हे सुचत नसे. वडिलांनी माझ्यासाठी खूप काही केले आहे. आज मी जी काही आहे, ती फक्त वडिलांमुळेच. त्यांचे हे उपकार मी कधीच विसरू शकत नाही. माझी रक्तातील साखर वाढलेली दिसली की डॉक्टर माझ्यावर ओरडायच्या, त्यामुळे मला केईएम हॉस्पिटलला जायला कधीच आवडत नसे. पण उपचार घेण्याशिवाय माझ्याकडे पर्याय नव्हता.

नित्याशा टीम माझ्यासाठी दुसरा परिवारच आहे. तिथे मला खूप काही शिकायला मिळाले आणि माझा आत्मविश्वास वाढला. मला कायम वाटायचे की, माझ्यामुळे घरच्यांना खूप त्रास होतोय. 'माझे कसे होईल' या चिंतेत घरचे असायचे. त्यामुळे मला नेहमी वाटायचे की, मी कधी लवकर मोठी होईल, कधी मी माझ्या पायावर उभी राहीन आणि माझी कामे स्वतःच स्वतः कधीपासून करेल. माझ्या पहिल्या पगारात, बारा तास ड्युटी करुन मला फक्त 5000 रुपये मिळायचे. मी इथपर्यंत येण्यासाठी खूप कष्ट केले आहेत. काम करताना लोकांचे खूप बोलणे ऐकून घेतले, पण त्याचे थोडे तरी फळ देवाने मला दिले आहे. आणि महत्त्वाचे म्हणजे, देवाबरोबरच 'नित्याशा' या टीमने इथपर्यंत येण्यासाठी देवासमान साथ दिली. पुण्यातील *'हिलिंग हँड क्लिनीक'*मध्ये जेव्हा कामासाठी माझी निवड झाली, तेव्हा मला मधुमेह असल्याने घरचे कोणीच मला एकटीला पाठवत नव्हते.

तेव्हाही मी खूप रडले. मी रडल्यानंतर ठरवले की, रडून काही होणार नाही, त्यासाठी सगळ्यांना समजावून सांगावे लागेल. आमच्या घरामध्ये माझा मोठा भाऊ जे सांगेल, तेच सगळे ऐकतात. अगदी 'तो म्हणेल तीच दिशा.' मला नोकरी लागल्यावर मी पहिल्यांदा वडिलांना सांगितले. तर ते म्हणाले, "भाऊला सांग. तो काय म्हणतोय तसे करु." मी भाऊला विचारले, तो म्हणाला, "खेड सोडून कुठे बाहेर नाही जायचे." त्याला मी खूप समजावले, पण तो नाहीच म्हणाला. त्यामुळे वडिलांनीसुद्धा नकार दिला. मी माझी ही संपूर्ण कहाणी नित्याशाच्या हेमा मॅडम यांना फोनवरुन सांगितली. त्यानंतर सुभाषिनी मॅम आणि हेमा मॅम माझ्या घरी आल्या. त्यांनी घरच्यांना त्यांच्या पद्धतीने खूप छान समजावले. मला वाटले, आता घरचे तयार होतील. पण तसे काही झाले नाही. मग मी सुभाषिनी मॅमला फोन करुन सर्व कळवले. त्यांनी मला वडिलांना घेऊन भेटायला बोलावले.

आम्ही तिथे गेलो, तेव्हा तिथे दोन सर व मॅम होत्या. त्यांनी वडिलांना खूप छान समजावले. तेव्हा ते मला कामासाठी पाठवायला तयार झाले. तो दिवस माझ्यासाठी खूप खास होता. नित्याशा आणि सुभाषिनी मॅम यांच्यामुळेच मी घराच्या बाहेर पडून स्वतःला सिद्ध करु शकले. स्वतःच्या पायावर उभी राहू शकले. आज मी स्वतःच्या गरजा स्वतः पूर्ण करतेय आणि त्याचबरोबर घरच्यांनाही मदत करतेय. आता मी खूप आनंदी आहे. हे सर्व ज्यांच्यामुळे शक्य झाले, त्यांना मी कधीच विसरु शकणार नाही. त्यांचे स्थान माझ्या आयुष्यात खूप मोठे आहे. मला इतरांना मदत करायला खूप आवडते. समाजासाठी सकारात्मक योगदान दिल्यामुळे मला आनंद आणि समाधान मिळते. मी कोणालाही मागे फिरुन उलट उत्तर देऊ शकत नाही. मी चुकीची नसले तरी मी आधी शांतपणे ऐकून घेते. मला भांडता येत नाही आणि मला माझे मत नीट मांडता येत नाही. ही माझा खूप मोठी उणिव आहे असे मला वाटते.
